Training to the G.R.S.officials in Shorthand.

To facilitate the work of the office and to economise the time of the officers it would be convenient if --- opportunities are afforded to some of the clerks of the Secretariat to qualify themselves in shorthand.

2. There should be 12 officials at least in the office conversant with -- shorthand. The requirements may be - roughly estimated as follows:-

Dewan's office ..	2	
Establishments of members of Council...	3	(one for each estt.)
Council section ..	1	
Legislative section..	1	Dulley
Branches & other sections.	5	
	12	

3. There are at present no officials on the permanent establishment who have passed an examination in shorthand.

The number required may be provided by training suitable candidates ~~xxxx~~ from ~~x~~ selected from the existing establishment.

5

4. The terms to be kept, the hours of work, the fees to be paid and the examinations to be undergone are set forth in the annexure.

P.W.D

5. As the training is afforded out of office hours, it would be sufficient if during the first year the school and examination fees of the officials are defrayed by Government. During the second and third year's courses a similar concession may be extended to the successful officials.

6. To encourage officials who qualify in shorthand, the following scale of allowances in addition to pay and acting allowances may be instituted:-

Official who has passed the Elementary Examination in shorthand.		Rs.5
"	Intermediate.	Rs.7
"	Advanced.	Rs.10

7. The cost for the first year's course commencing from 1st June 1916 for 12 officials will be Rs.10?- and will have to be provided for in the next year's budget. The cost of the second and third years' courses and the allowances payable to the successful officials will be provided for in due time in the budgets of the years concerned.

2226 1920.

8. If the above proposals are approved applications from the G.R.S. officials may be invited and 12 men selected therefrom. In making the selection regard may be had to educational qualifications as well as to aptitude.

10) The cost for the first year's course mentioned in para 7 of these notes viz Rs 102 is correct.

11) The nature and duration of the allces proposed in para 6 will have to be specified.

GKV.2 These allces partake of the nature of "Remunerative personal allces" which are given to officers in Br: India (1) for the discharge of addl duties which devolve on them for any length of time or (2) for the exercise of exceptional qualifications which

which are especially valuable in the discharge of their duties and are not ordinarily expected of incumbents of the appointments subject to the ~~foll~~ conditions that the allces should not ordinarily exceed 20 per cent of the officer's salary and should be surrendered when the additional duties are withdrawn or the special qualifications are no longer required in the particular appointment or when the officer is transferred from this appointment to another.

It is a matter for consideration whether the proposed allces may not be treated as "Remuneration personal allces payable under the conditions specified above.
